WHEELIE BIN SYMBOL

The "W" symbol is used in this product in compliance with the EU Directive 2002/96/EC on Waste Electrical and Electronic Equipment (WEEE). Its purpose is to date the proper disposal of this product and to generate revenue and recycling.

PROPER DISPOSAL

In compliance with the Directive, at end of life this product should be either: (1) sent to an approved recycling facility for reuse and recycling; or (2) returned to the supplier.

Under no circumstances should this product be deposited in a landfill for disposal.

HAZARDS OF NON-COMPLIANCE

Hazardous and electronic products may contain chemicals which can harm the ground water and cause health concerns through normal handling. Failure to dispose of this product in compliance with the U.S.E.C. Directive may result in penalties as determined by local ordinance.

Please contact your dealer or USL, Inc. if you have any questions regarding the proper disposal of this or any other USL product.
