

# zoomrooms

with \_\_\_\_\_

## Q-SYS™

web conference integration

- **Scale Zoom Rooms into larger meeting spaces.**
- **Integrate installed microphones and loudspeakers, professional PTZ-IP cameras and full environmental controls and video distribution.**
- **Control everything from a single tabletop controller.**
- Driverless, plug-and-play connectivity for BYOD (bring-your-own-device) or rackmount PCs.
- Q-SYS video supports both single and dual-display rooms.

## medium meeting room
